Dear Parents

Thank you for your support and patience as we have started to use ParentPay this week. We appreciate that this has been something new to most of you and hasn't been without it's teething problems. However we feel that this will prove to be much guicker and easier when making any payments in the future.

A reminder that next week is the last week of this half term. We finish at the normal time of 3:15pm on Friday 26th May with the children returning on Wednesday 7th June.

Despite lots of careful planning this always ends up being an incredibly busy term. Please check the newsletter, website and your texts regularly for any updates. Thank you © Have a fantastic weekend.

Tim Wherry, Head Teacher

Good to Be Green Well done to all of the children who continue to work hard and show excellent behaviour in school. 160 texts (81.2%) were sent to parents on Friday for children that had remained 'green' all week. Well done.

Mrs Tippett and Mrs Rowe would like to say a huge thank you to our fantastic parents for your support with our new online payment system. ParentPay is now up and running. You can link pupils to one account and pay securely for school dinners, trips, etc. We have a few parents yet to activate their accounts. To activate your account, you will need your activation letter which was issued last week. Go to www.parentpay.com

Type in the username and password received in the activation letter. Please note: these details are for one time use only and will become invalid after the account has been activated.

- Follow the on-screen instructions to successfully activate the account. At this point you will be asked to enter your name, an email address and select a password for the account. Your email address will then become your username.
- Read the ParentPay terms and conditions and click in the box next to accept terms and conditions at the bottom of the page and click continue.

A verification email will be sent to the user. You will then need to click on the link of the email to activate and access your account.
