Good to Be Green

Well done to all of the children who continue to work hard and show excellent behaviour in school. 169 texts (85.8%) were sent to parents on Friday for children that had remained 'green' all week. Well done.

Many thanks to those parents who have embraced our new online payments system. There are a few parents yet to activate their account. To activate your account, you will need your activation letter. **Go to**

www.parentpay.com

- Type in the username and password received in the activation letter.
- Follow the on-screen instructions to successfully activate the account.
- A verification email will be sent to the user. You will then need to click on the link of the email to activate and access your account.

Cross School Login

One of the key features of ParentPay allows payers with children at different schools to merge up to six children to their account. The schools must all subscribe to ParentPay for a payer to be able to merge their accounts. **To merge accounts:**

You need to choose one account to 'add' your children to. The username and password for this account will become your 'main' account.

Go to www.parentpay.com

- Login to the account you wish to have as your main account for all children/schools.
- Click on the add a child tab from the home page.
- Enter the username and password for the child you wish to add.
- Click search. The school, pupil name, year group and class will show on screen.
- Click add child to your account to confirm this is the child you wish to add.

Breakfast Club Piccolo Early Years Group provides a breakfast facility, which is run within the school buildings. Breakfast Club runs between 7.45 am-8.45 am. The cost per session is £2.50. Children after 8.15 am sessions £1.00 (no breakfast included).

We've been shocked and saddened at the news of the tragic attack in Manchester. Children and young people may be feeling anxious or upset in light of the news, and our advice is that they talk to a trusted adult if they are worried - be it a parent, teacher or Childline. The conversation might not be easy if a young person does come to you, so we've got advice to help you support them, here: http://bit.ly/2q62hjc If you're concerned about how a child is feeling following the attack, you can call our helpline 24/7 on 0808 800 5000.

ADVICE FOR PARENTS

Avoid complicated explanations that could be frightening and confusing
