

Weekly Newsletter – 8th November 2024

Key Messages

What a busy first week back that has been! There has been so much going on and lots of exciting learning seen throughout the school.

Some highlights have included:

- Several classes had a science focus this week exploring electricity and circuits in Y4/5 and classification and characteristics of living things in Y6
- Nursery enjoyed Forest school learning with Mr Sprigg
- Yr R/1/2 had a computing day where they explored different types of technology and their purposes

We are already looking forward to next week where we will be marking the 2 minute silence on Monday and ending the week with a Children in Need day.

Have a lovely weekend!

Mrs Thorp and the whole Bugle Team

All text messages will now come through the Arbor app.

Please ensure you have this downloaded so that you can access school communication.
Thank you!

Please order Christmas items with your child's design via the School Print World website. You can choose cards, mugs, gift tags and many more!

Nut Free School!

Please remember that due to allergies we are a Nut Free School. Please do not include Nutella or Snickers etc in lunchboxes. Thank you!
