A note from Mrs Thorp...

What a brilliant first full week we have had here at Bugle School. It has been an absolute pleasure to see the children coming in each day, both our existing children and our new starters. The new Nursery and Reception children have settled in beautifully and are engaging with some wonderful learning opportunities. I hope that all parents and carers enjoyed this milestone in your child's life and there weren't too many tears!

I have been popping into classes throughout the week and have been so impressed by the standard of behaviour and the quality of learning taking place. Well done to all the children for such a positive start to the year and a huge thank you to our staff for their hard work and offering their nurture and support to make this a success.

Similarly, thank you to the parent community for ensuring punctuality and attendance have been a priority - this has definitely contributed to the settled start the children have had. You have also made me feel very welcome as we see each other on the gate so thank you for this too.

Please do come and see me if you have any queries or concerns.

Have a wonderful weekend,

Mrs Thorp
Head of School
