

## **Spiritual**

Using digital media and other resources and asking pupils to imagine what it might be like to live in different parts of the world. Making links with History when exploring the environment and speculating on why the landscape is as it is.

Comparing their lives with people living in other countries or other parts of the UK. Relating historical human geography to current events e.g. a refugee after Vesuvius erupted with a refugee now.

## **Moral**

Considering how people treat the environment; posing questions such as:

“How are we changing our surroundings – are some things for the better and others for the worse?”

“Who benefits and who suffers?”

“What should be our personal response to these?”

“Who should look after our environment?”

# **SMSC Bugle School Geography**

## **Social**

Geography learning provides positive and effective links with the wider community.

Geography supports pupils to consider social responsibility e.g. care for the environment, impact of traffic on the local area, tourism (including local studies).

## **Cultural**

Geography encourages children to use maps, photographs, digital media and other resources and asks pupils to imagine what it might be like to live in different parts of the world.

The curriculum makes links with History when exploring the environment and speculating on why the landscape is as it is.

Pupils are able to compare their lives with people living in other countries or other parts of the UK.
