Attendance Matters

Why Attend Every Day?

At Bugle School, we believe that attendance is directly linked to achievement and helps develop skills for life

Here is an example on how regular non attendance can build up.

MON		TUE		WED		THUR		FRI	

Stephen is a fictional child in Year 2.

His attendance rate is 90%. His parents think this is quite good.

Stephen is absent for the equivalent of **one half day per week**.

In Year 2 Stephen's attendance rate means that he missed the equivalent of **four whole weeks** of lessons in the school year. If Stephen continues to attend for only 90% of the time, then over five years he will miss 20 weeks.

Our School Attendance Target is:

96%

....Every Minute Counts!

How many children are currently persistently absent from school?

As of 19th January 2024

Persistent Absence is at

25.8%

To make satisfactory progress and establish good relationships with others, children must attend school regularly.

What am I missing?

Attendance During one school year	Equates to days absent	Which is approximately	Which means the number of lessons missed in a year
94%	10 Days	2 Weeks	50 Lessons
90%	19 Days	4 Weeks	100 Lessons
85%	29 Days	6 Weeks	150 Lessons
