Hello!

My name is Jane and I wanted to take this opportunity to say hello to Bugle School and to introduce myself.

As a qualified teacher, I have worked in a variety of primary schools and have now started in a new role as a Trainee Supervisor of Education Mental Health Practitioner (EMHPs), working in the Mental Health Support Team (MHST) in Restormel. A lot of words, I know!

I have met with the staff at Bugle and am really looking forward to meeting and working with you and your children around any feelings of worries or sadness.

I would like to invite you to meet me in the school hall on Monday 19th January at 8:45 - 9:15 for a Parent Drop-In when we could have an informal chat and I can answer any of your questions.

I look forward to meeting you soon!

Attendance Matters

Why Attend Every Day?

At Bugle School, we believe that attendance is directly linked to achievement and helps develop skills for life

Here is an example on how regular non attendance can build up.

MON		TUE		WED		THUR		FRI	

Stephen is a fictional child in Year 2.

His attendance rate is 90%. His parents think this is quite good.

Stephen is absent for the equivalent of *one half day per week*.

In Year 2 Stephen's attendance rate means that he missed the equivalent of *four whole weeks* of lessons in the school year. If Stephen continues to attend for only 90% of the time, then over five years he will miss 20 weeks.

Our School Attendance Target is:

96%

....Every Minute Counts!

How many children are currently persistently absent from school?

As of 2nd February 2024

Persistent Absence is at

26.1%

To make satisfactory progress and establish good relationships with others, children must attend school regularly.

What am I missing?

Attendance During one school year	Equates to days absent	Which is approximately	Which means the number of lessons missed in a year
